The Warriner School**

The Schools named above are part of the Warriner Multi Academy Trust (WMAT), a charitable company limited by guarantee which is governed by its Board of Trustees at a strategic level. The Board of Trustees is accountable to the Secretary of State for the performance of all of the schools within the WMAT and for setting the strategic direction of the Trust.

The Board of Trustees have established a Local Governing Body for each of its school and have determined to delegate much of its responsibility for oversight of the school including monitoring of its educational performance and adherence to policies and statutory requirements to the LGB. The LGB may in turn delegate some of its authority either to any committees it establishes or to the Headteacher or Head of School.

The Board of Trustees also delegates some of its own authority directly to the Chief Executive Officer, as the most senior member of staff in the Trust and Accounting Officer, who in turn may delegate authority to other senior leaders in the Trust, whilst always remaining personally accountable to the Trust Board.

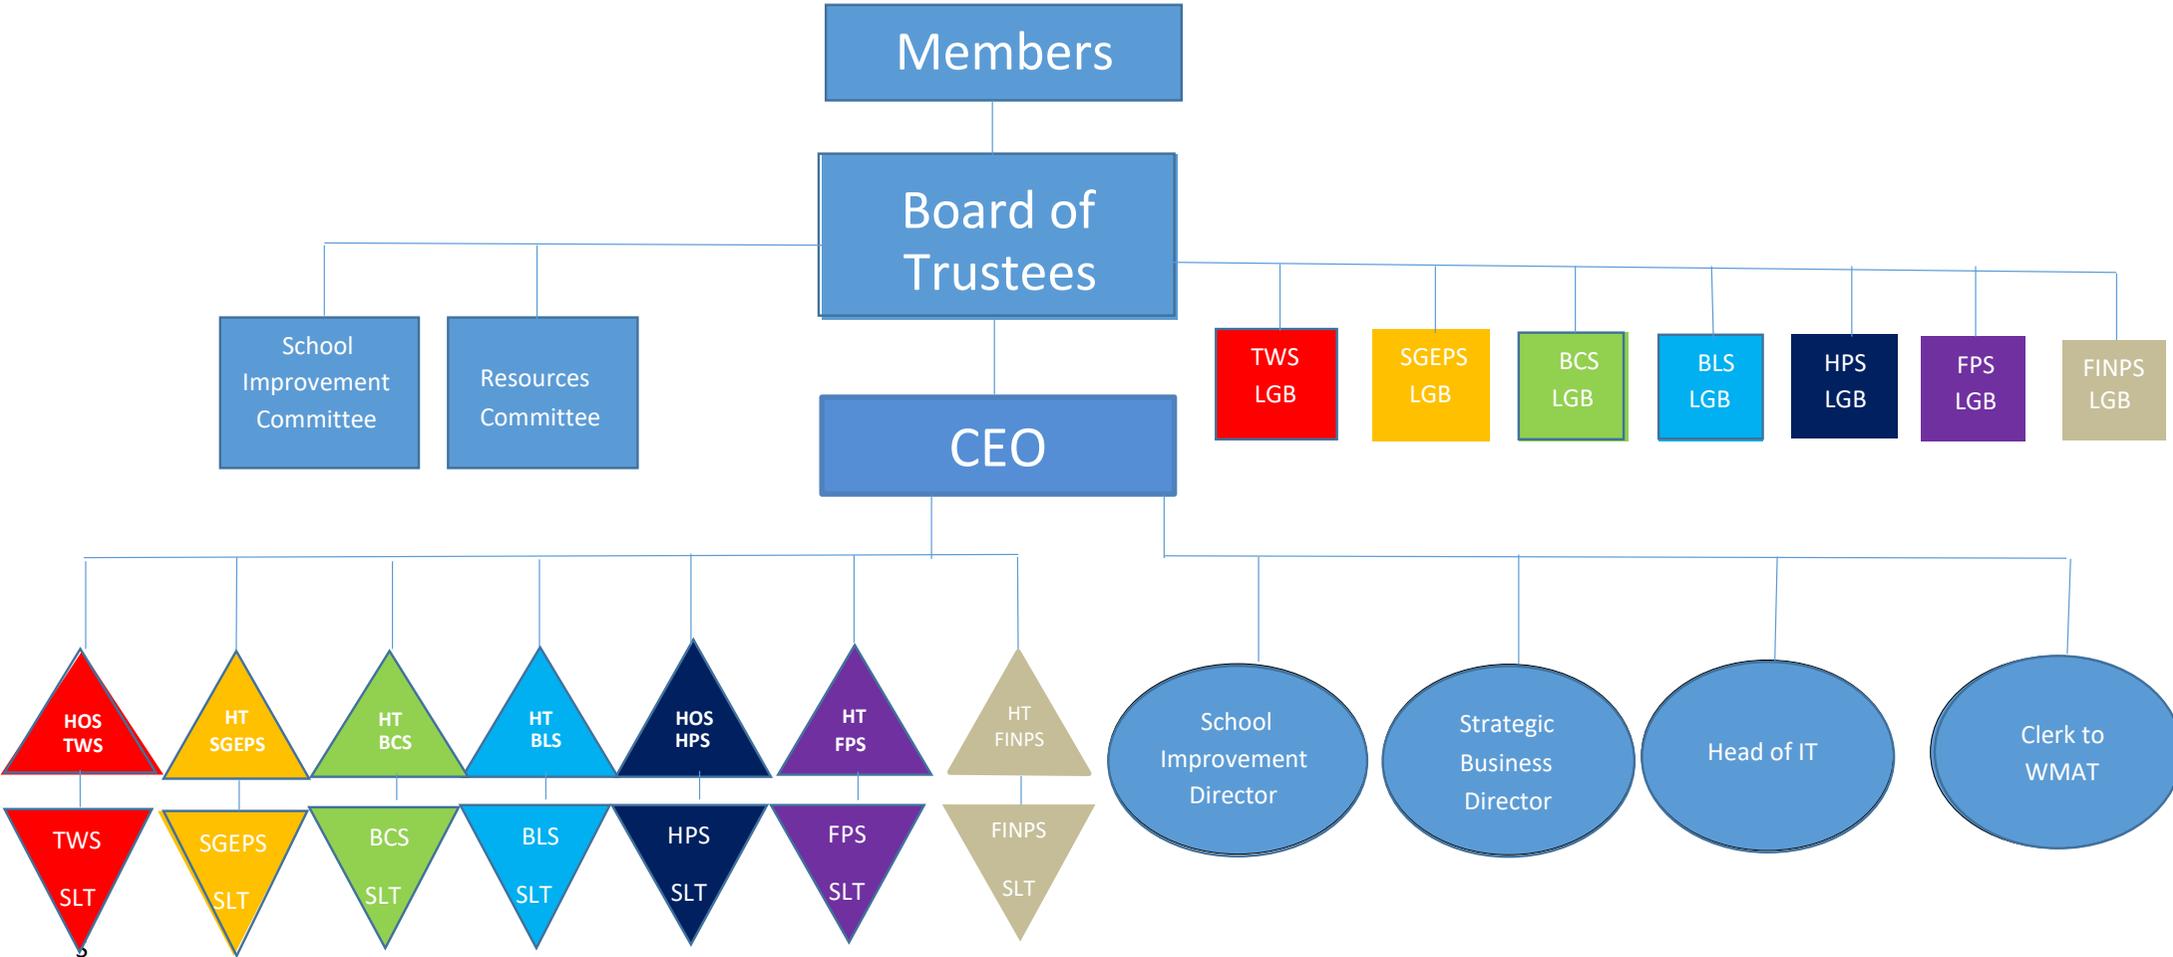

This scheme of delegation will be reviewed on an annual basis, but the Trustees reserve the right to review and amend this scheme at any time if required.

Appendix A of this Scheme of Delegation is the terms of reference for Local Governing Bodies in the WMAT and should be read in conjunction with the Scheme of Delegation.

Appendix B of this Scheme of Delegation is the Delegation of Policy responsibility document and should be read in conjunction with this Scheme of Delegation.

The following illustration show the relationship of the parties in the governance structure of the Trust;

Role of Trust Members

Members are akin to the shareholders and have ultimate control over the direction of the Trust. They ensure the charitable company achieves its objectives, signs off the annual report and accounts and appoints the Trustees. As summarised in the Academies Financial Handbook, members of the multi academy trust:

1. Subscribe to the Trust's memorandum of association (where they are founding members)
2. May amend the articles of association subject to any restrictions in the articles, the funding agreement or charity law
3. May, in certain circumstances, appoint new members or remove existing members
4. Have powers to appoint and remove Trustees in certain circumstances
5. May, by special resolution, issue direction to the Trustees to take a specific action
6. Appoint the Trust's auditors and receive the Trust's audited annual accounts (subject to the Companies Act)
7. Have power to change the name of the company and, ultimately, wind up the academy trust.

The Trust Members are comprised of;

- The Diocesan Board of Education acting corporately or the Diocesan Director of Education or their representative
- Two individual members nominated by the Diocesan Board of Education
- The Chair of the Trust Board
- One member appointed as an individual by the other Members.

Role of the Board of Trustees

The Board of Trustees (Referred to as "Directors" or "Trustees") are appointed by the Members. Their core duties as the Trustees of the MAT, as set out in the Academies Financial Handbook, are to:

- 1. Ensure clarity of vision, ethos and strategic direction**
- 2. Hold the executive leaders to account for the educational performance of the organisation and its pupils, and the performance management of staff;**
- 3. Oversee and ensure effective financial performance.**

The Trustees have overall responsibility and ultimate decision making authority for the work of the Trust. This is largely exercised through strategic planning and the setting of policy. It is managed through business planning, monitoring, performance management, the setting of standards and expectations and the implementation of quality assurance processes. The Trustees have the power to direct change where required.

The Trustees have a duty to act in the fulfilment of the Trust objectives and must have regard to the interests of all the schools for which the Trust is responsible in deciding and implementing any policy or exercising any authority. They must ensure regularity and propriety in the use of Trust funds, and achieve economy, efficiency and effectiveness – the three key elements of value for money.

The Chair of Trustees is responsible for ensuring the effective functioning of the Board and setting professional standards of governance.

The WMAT organises its governance structure in such a way as to maximise the skills and context of different layers of governance to avoid duplication and to effectively deliver the functions of Governance to support the vision of the WMAT and its individual schools. It does this by delegating some duties to its LGBs, its committees and the CEO.

The Board of Trustees maintains direct accountability (through its Resources Committee) for most of the third core governance accountability; “Overseeing the financial performance of the organisation and making sure its money is well spent” including agreeing a 5 year budget with Head Teachers and Chairs of Governors and 5scrutinizing management accounts monthly against the agreed budget. They will also monitor risk factors and ensure that the WMAT Central Services finance team meets all the requirement of the AFH.

All Trustees are appointed by the Trust Members. They appoint a minimum of 5 Trustees. There is no maximum number.

Role of the Chief Executive Officer

The Chief Executive Officer has delegated responsibility for the operation of the Trust, including the performance of all its schools. The CEO is the Accounting Officer, so has overall responsibility for the Trust’s financial responsibilities and must ensure that the organisation is run with financial effectiveness.

The CEO line manages the Senior Leadership Team of the WMAT, comprising Head Teachers and Head of Schools. The CEO line manages the leaders of the WMAT Central Services Teams.

The "relevant body" for appraisal of the CEO for their accountabilities as the CEO is a subgroup of The WMAT Trustees' board supported by a suitably skilled and /or experienced external adviser who has been appointed by the Relevant Body for that purpose.

The CEO is an ex officio Trustee of the WMAT. The CEO will be in attendance at Local Governing Body meeting at schools where they are the Executive Head Teacher.

Role of the Local Governing Bodies

Local Governing Bodies (LGBs) operate as committees of the Board of Trustee. They operate under the delegations set out in this document and the LGB Terms of Reference, both of which are approved by the Board of Trustees.

Those elected/appointed to serve on a LGB are members of a committee of the Board of Trustees and are referred to as “Governors”.

Even where responsibility is delegated to the LGB, it is the Board of Trustees or “Trust”, as the legal entity, that holds statutory accountability and not the LGB.

By maintaining financial scrutiny with the Trustees the aim is to allow the Local Governing Body the time to focus on the 2nd core function of governance; “Holding executive leaders to account for the a) educational performance of the organisation and its pupils, b)the performance management of its staff.”. The Trustees believe that local governors are best placed to fully understand the context and challenges of their school and are therefore essential in delivering this accountability

Role of the Head Teacher / Head of School

The Head Teacher or Head of School is responsible for the day to day leadership of the school. The Trustees and the LGB delegates such powers and functions as are required for the internal organisation, management and control of the school (including the implementation of all policies approved by Trustees and the LGB) and for the direction of the teaching and the curriculum at the school. They are responsible for managing the delegated budget and resources agreed by the Trustees. They are responsible for all functions as may be assigned under their job description and contract of employment.

The Head Teacher or Head of School is line managed by the CEO but reports to the LGB on matters which have been delegated to the LGB.

The "relevant body" for appraisal of Head Teachers and Head of School within the Multi Academy Trust is a subgroup of the Local Governing Body and to include the CEO of the WMAT, supported by a suitably skilled and/or experienced external adviser who has been appointed by the Relevant Body for that purpose.

The Head Teacher or Head of School is an ex officio member of the Local Governing Body.

The Headteacher and Head of School shall be appointed by the Trustees on the recommendation of the recruitment panel. The panel will consist of the CEO, a Trustee and 1 or 3 local governors. In our Church schools the panel will also include a representative of the Oxfordshire Diocesan Board of Education. The appointment at Church schools, will be made with the agreement of the Oxford Diocesan Director of Education.

OTHER MATTERS

- The Trustees and Governors have a duty to act independently and not as agents of those who may have appointed them and will act with integrity, objectivity and honesty in the best interests of WMAT and the Academy and shall be open about decisions and be able to justify those decisions except in so far as any matter may be considered confidential.
- The income and property of the School must be applied solely towards the provision of the Objects as detailed in the Articles of Association.
- The Trustees and LGB members will need to complete an annual declaration of their business interests, conflicts and related party matters.
- Any Trustee or Governor who has any duty or personal interest (including but not limited to any Personal Financial Interest) which conflicts or may conflict with their duties as a member of the LGB/Trust Board shall disclose that fact to the other members of the LGB/Trust Board as soon as they become aware of it. (in compliance with the Academies Financial handbook). A member of the LGB/Trust Board must absent themselves from any discussions of the LGB or any committee in which it is possible that a conflict will arise between their duty to act solely in the interests of the School and any duty or personal interest (including but not limited to any Personal Financial Interest).
- The Trustees and Governors have a duty to attend meetings regularly in order to carry out their responsibilities. Where attendance level falls below 50% over an academic year, the Chair will discuss with the Trustee/Governor whether they are able to commit the necessary time to their role. It will be at the discretion of the Chair as to whether they feel it is appropriate to have this conversation sooner.
