**Afterschool Clubs** – as the children have really enjoyed the clubs this term, I am pleased to let you know that we will be continuing with the same clubs next term, and have extended Arts & Crafts to include Years 1 & 2. The clubs are as follows:

Mondays	Cricket Club Gardening Club	Reception-Year 6 Reception-Year 6
Tuesdays	Dance Club	Reception-Year 6
Thursdays	Arts & Crafts Forest School	<b>Years 1-4</b> Reception, Years 1 & 2
Fridays	Coding Club	Years 3-6

The clubs will start w.c. 6<sup>th</sup> June and finish w.c. 11<sup>th</sup> July (5 weeks) and are all available to book on ParentPay. They will need to be booked by Monday 6<sup>th</sup> June.

**Reading Volunteers** - ‘A child at Hornton School will read to an adult every week’ Thank you, we are so lucky that so many people have volunteered to come into school to listen to children read. The sessions started this week and the children have been so positive in their feedback.

**Sun hats** - Please could all children have a sun hat in school, I would also suggest that parents apply a long lasting sun protection cream at the beginning of the school day. If it looks like it is going to be a particularly sunny day, children are allowed to bring in a small tube of cream (named) to be applied by themselves at lunchtime.

**Jubilee Singing Concert** - I hope you agree that the children were absolutely fantastic this afternoon. I would like to thank all parents, carers and other family members for being such an enthusiastic audience, we will certainly have to think about another performance to share your children’s talents. All the staff pulled together and worked really hard to prepare for today and I would like to say a particular thank you to Lucy Burke for loaning us her art work of the Queen.

After we have looked through all the photos and videos we will make sure they are put on the website next term.

**Headlice** - At any one point in time, there will always be a small group of children, in any school, that have headlice. They are commonplace in younger children, but anyone can get them. Headlice are found worldwide, have been around for thousands of years and are virtually unpreventable. They are nothing to be ashamed of and parents should not be looking to apportion blame if and when they are detected. Headlice are a nuisance; however, they do not spread disease and are not an indication of personal hygiene or cleanliness. Whilst cleanliness is not related to contracting headlice, regular combing through after hair washing does allow for early detection and easy eradication. This is a non-chemical approach and is referred to as 'bug busting'. It involves the removal of lice from the hair after the hair has been washed and conditioned. With the conditioner still in, the hair is combed gradually using a fine-tooth comb, section by section, in order to remove the lice. For more information - <https://www.nhs.uk/conditions/head-lice-and-nits/>

**Parking** - As we all know, we have limited parking available in the immediate vicinity of the school. Even so, it is imperative that we continue to park with respect to the residents of Hornton and their right of way to their homes. There is ample parking availability at the Pavilion, from where it is a short and pleasant walk to the school. A few minutes extra walking time will make such a difference to the congestion around the school and the combined safety of children, parents and residents.

**I have noticed that some families are not using the one-way system. If we all follow the rules, it makes the start of the school day run so much more smoothly.**

**Please can I remind you that we are a nut free school. Children should not be bringing nuts into school for lunch or snack.**

**At the end of the school day, please be very conscious that the gate is open; we would not want any child to find himself or herself on the road without an adult.**

**Hornton Pavilion**

***Hornton Pavilion (Village Hall) is a warm welcoming venue ideal for Birthday Parties.***
