A message from Jenny and Tracy

All bookings for wraparound care and meals are now done via ParentPay. For Breakfast and Hang Out club, please book 1 week in advance. If you need to make a last-minute booking, please contact the office so we are able to notify the relevant staff. You will then need to put a credit on ParentPay so we can allocate the payment. This can only be done for occasional single days.

For meals, please order termly in advance. If you have a last minute change of circumstance, please contact the office as early in the day as possible to allow us to alert our meal provider.

Children will return to school using the separate entrances and staggered start times as before

Recovery Curriculum

Once classroom assessments have taken place, we would like to meet with all parents, to discuss your child's recovery programme of learning, working together to minimise the impact of COVID on their future learning success.

They have been arranged for weeks beginning:

- Monday 22nd March
- Monday 29th March

More details to follow.

From the term following the Easter break, all children will be given skills exercises to practice at home. For KS2 children, these will be tasks that can be completed independently. However, we will ask for your help in encouraging them to do so.

Please be reminded

Children who need to self-isolate in line with current guidance and who are physically well, will be provided with and expected to engage with remote education.

Peripatetic music lessons

If all is going according to plan, Peripatetic music lessons will recommence From Monday 19th April.

Please can we ask that you read the attached Risk Assessment

Thank you for your continuing support
