

Well done!

With our first full week back under our belt, it has been wonderful to see how well the children have settled back into their learning, tackling their work with enthusiasm and determination. Behaviour, once again, has been superb, as the children seem delighted to be back with their friends. Well done all!

Praise

I have been lucky enough to spend time in every class this week and have enjoyed listening to and watching the children nominating and praising each other for their hard work and achievements. The pride that individuals show upon hearing such comments from their peers is clearly meaningful and obviously very well received. KL

Allergies

A quick reminder that Hornton Primary School is a nut free zone. We have several children with severe allergies.

School safety

One of our long-standing school rules has been to not allow children to climb on the school perimeter wall. This has obvious safety implications. Please help us enforce this rule when children are in your care.

Breakfast Club/After School Club

Our wrap around care facilities are now up and running. Please contact the school office if you would like to make use of Breakfast or After school club.

Coronavirus

Thank you to everyone who has responded to the Covid-19 testing programme so far.

The current guidance for schools, updated 10th September
