Hornton Primary School Council Fun Run

Thank you to everyone who have submitted their family homework for this term. The medals are fantastic. Well done to Toby Hardy who designed our winning entry. Mrs Cockle made all the badges- she is a star!

- In Peach Tree and Orchard Class the children will be raising money for a new reading shelter.
- Oak Class are busy planning their Maths Garden and would love additional funds for new equipment.
- In Willow Class, the children would like to replace their brown old carpet with something more cheerful.
- Mr Runcorn has asked if his class could raise money for additional books for their class library.

Please hand in the money you have collected to your class teacher, or if you would find it easier, you can transfer any collected money via ParentPay 'Fun Run Sponsorship Money'. We are so grateful to everyone that is supporting our wonderful small school.

Thank you so much

Warriner Partnership Cricket Tournament

On Friday 9th June, 20 Rowan class students visited Sibford School to participate in a cricket tournament. We are all very pleased with how the day went and can't believe our girls' team got into the semi-finals.

Mr Runcorn (our class teacher) was impressed with how we played and said: "The teams all played with confidence demonstrating the spirit of cricket. I was immensely proud of their efforts!"

We tried our hardest and played with great sportsmanship, which meant we could come away feeling thrilled with our performance. The girls won two of their games and the boys made it to the second place plays offs.

The Year 5 and 6 Team

Sun hats - Please could all children have a sun hat in school, I would also suggest that parents apply a long lasting sun protection cream at the beginning of the school day. If it looks like it is going to be a particularly sunny day, children are allowed to bring in a small tube of cream (named) to be applied by themselves at lunchtime.

Key stage 1 Math's garden- After the successful clean-up operation at the end of last term, we would like to hold a planning meeting to consider the next exciting steps for the math's garden. If you would like to be involved please come along on Friday the 16th at 2.00pm in the library.

Donna Fowler and Nicole Scarsbrook - In the holidays these wonderful ladies made some planters for the playground. We cannot wait to plant them but we do not have any soil. If anyone would like to donate a bag of peat or soil to the school we would be so grateful.

Parking - As we all know, we have limited parking available in the immediate vicinity of the school. Even so, it is imperative that we continue to park with respect to the residents of Hornton and their right of way to their homes. There is ample parking availability at the Pavilion, from where it is a short and pleasant walk to the school. A few minutes extra walking time will make such a difference to the congestion around the school and the combined safety of children, parents and residents.

Hornton Pavilion

Hornton Pavilion (Village Hall) is a warm welcoming venue ideal for Birthday Parties.
