Hornton Primary School Council Fun Run

The children were wonderful last week during the Hornton Fun Run. We were all so proud of them. We hope to make this an annual event and invite parents to join in.

Please could all the sponsorship money be returned by next Friday. We can then announce the grand total at Sports day.

- In Peach Tree and Orchard Class the children will be raising money for a new reading shelter.
- Oak Class are busy planning their Maths Garden and would love additional funds for new equipment.
- In Willow Class, the children would like to replace their brown old carpet with something more cheerful.
- Mr Runcorn has asked if his class could raise money for additional books for their class library.

Please hand in the money you have collected to your class teacher, or if you would find it easier, you can transfer any collected money via ParentPay 'Fun Run Sponsorship Money'. We are so grateful to everyone that is supporting our wonderful small school.

Thank you so much

The School Council

Hornton Sports Day Monday 26th June

The children have started training for Sports Day and are looking forward to the big event. It will take place at the Pavilion and we hope it will be as successful as last year. If anyone has any gazebos we could borrow for the morning please could you let me know.

Timings

All children including Peach Tree - Start 9.30am

We aim to finish all the races by 11.30am

If the weather be unkind we have a reserve date which is 12th July 2023 - times as above.

Key Information

Children should wear their PE uniform to school on Sports day.

- Should the weather be sunny and hot it is vital that children bring sunscreen, hat/cap and have their water bottles.
- The weather may be cool so it is important the children have a sweatshirt to keep them warm.
- Please bring a chair or picnic blanket to watch the event.
- After the event children will be escorted inside by their teachers and school will finish at the normal time of 3.15pm.
- Please park at the far end of the Pavilion car park.
- Should we need to cancel sports day due to weather we will contact you via email at 8.00am.
- Photography - as some pupils parents have not given permission for their child to be photographed it means NO photographs/Videos to be taken.
- There will be a parent race so start training!

Recorders Teacher - We are sorry to announce that Mrs Payne, our recorders teacher, will be leaving us at the end of this term. Mrs Payne has been teaching the children at Hornton Primary School for many years and we will be sorry to see her go. As a thank you we are organising a collection, so if anyone would like to contribute to a leaving gift, you can do so via ParentPay.

Afterschool Clubs at the Pavilion – if you are running late to collect your child from a club, they will be walked back to school by a member of staff. It is not always possible to contact anyone during a club that is held offsite, so if you arrive late at the Pavilion and everyone has already left, please make your way to school to collect your child.

Sun hats - Please could all children have a sun hat in school, I would also suggest that parents apply a long lasting sun protection cream at the beginning of the school day. If it looks like it is going to be a particularly sunny day, children are allowed to bring in a small tube of cream (named) to be applied by themselves at lunchtime.

Donna Fowler and Nicole Scarsbrook - In the holidays these wonderful ladies made some planters for the playground. We cannot wait to plant them but we do not have any soil. If anyone would like to donate a bag of peat or soil to the school we would be so grateful.

Parking - As we all know, we have limited parking available in the immediate vicinity of the school. Even so, it is imperative that we continue to park with respect to the residents of Hornton and their right of way to their homes. There is ample parking availability at the Pavilion, from where it is a short and pleasant walk to the school. A few minutes extra walking time will make such a difference to the congestion around the school and the combined safety of children, parents and residents.
