20th December- End of term

Threadworms - We have received information that there are threadworms present in the school. Threadworms, also known as pinworms, are tiny worms found in faeces. They are quite common in children and can be easily spread. You do not need to see a GP to treat them as treatment can be purchased from a chemist. The NHS website offers a lot of information about this condition, which can be very helpful if your child is showing any symptoms of threadworm or if you are concerned in any way.

NHS advice can be found at: <https://www.nhs.uk/conditions/threadworms/>

The NHS guidance states that children with Threadworm do not need to miss school or nursery.

Phonics meeting- Thank you to the parents who came to the Phonics evening. Please let me know if we can send you the PowerPoint explaining how we teach early reading skills.

Diwali- Our families who celebrate Diwali helped us to understand this light-filled festival. I would like to thank Mani Chudasama for coming into school to talk about how his family celebrate this important festival. The whole school made diya lamps and Mrs Pumford made Bharfi.

On Sunday, **November 26th**, our school has been invited to attend a service at Hornton Church. Mrs. Sanders is teaching the children two songs to perform and we will be sharing artwork and poetry based on the theme of light. The short service will begin at 11:00 AM.

Term 2 Family Homework Project The family project for this term is to make a Christmas decoration for our school Christmas tree. We will be decorating the tree on the 1st of December, so please make sure you bring your bauble/hanging object by this date. There will not be any prizes, but we are really looking forward to making our school look festive and colourful. This was such a success last year and now firmly forms part of the Hornton Primary School Christmas traditions!

Horley Christmas Market takes place in Horley Parish Church a week today - Saturday, November 25th - from 4-6 pm. There will be all sorts of Christmassy items on the craft and gifts stalls, along with mulled wine and mince pies, homemade cakes, a tombola and a hamper raffle.

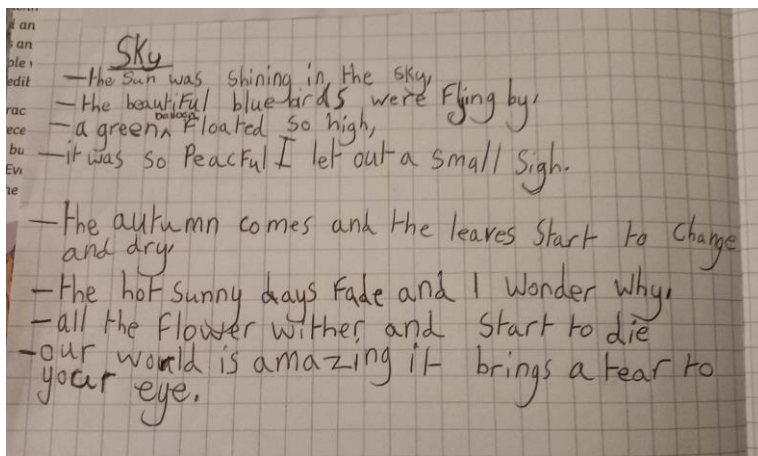

Year 3 and 4 charity Children's Clothes Sale- Once again, the children in Year 3 and 4 have demonstrated their thoughtful and caring nature and have decided to raise money for Charity. This time they have decided to hold a second-hand children's clothes sale. This will be held on the 1st of December. The original idea was thought of by Elsie, but the whole class wanted to help; so start to collect children's old clothes (in good condition) and bring them to school on the 24th of November. Thank you from Ms Peters and Willow class.

Reading Volunteers- If you want to become a reading volunteer and join our wonderful group, please email me and we will schedule a training [session: head.2001@Hornton.oxon.sch.uk](mailto:head.2001@Hornton.oxon.sch.uk)

Parking - As we all know, we have limited parking available in the immediate vicinity of the school. Even so, it is imperative that we continue to park with respect to the residents of Hornton and their right of way to their homes. There is ample parking available at the Pavilion, from where it is a short and pleasant walk to the school. A few extra minutes of walking can significantly reduce congestion and improve safety for children, parents, and residents near schools.

Please can I remind you that we are a **nut and avocado-free** school. Children should not be bringing nuts or avocado into school for lunch or snacks.

I really like it when children email me projects they have been working on at home. This is just two examples from Year 5 and 6. A sketch of a spider by Mason and a poem by Freya.

At the end of the school day, please be very conscious that the gate is open; we would not want any child to find himself or herself on the road without an adult.

Hornton Pavilion

Hornton Pavilion (Village Hall) is a warm welcoming venue ideal for Birthday Parties.
