We are delighted to enter our first ever **Tackling Tables Online Inter-School competition**. There are 6 “speed” categories with prizes and certificates awarded to the winner and runner up in each category. I would like to thank Rachel Cairns for organising this for the children.

The children from Hornton Primary School who have been entered for their attempts to be compared to children across the country are:

Year 6 - Harry and Immy

Year 5 - Jack and Bethan

Year 4 - Jesse and Orson, Lizzie

Year 3 - Jonathan

Well done to all the other children who entered: Arlo, Elham, Evie, Joey, Thea, Sophie, Sami, Faizaan, Alicja, Alfie, Freya, Grace, Lily, and Emily.

Please keep using this resource at home (The children in Key stage 2 all have an account)- The ability to achieve rapid recall (learn off by heart) times tables facts is so helpful because they underpin so many areas of maths. The list is almost endless and includes written calculation strategies, calculating fractions and percentages of amounts, simplifying fractions, recognising square numbers and square roots.

We would like to run a **cooking class for the children in Oak Class**. We have provisionally allocated Thursday afternoon to this activity. The children will make healthy treats to give out in their ‘Healthy Tuck shop’ at break time on Friday. If you would be able to help with this activity, please let me know.

Please do not park on the yellow zig-zag lines outside of our school. This is incredibly dangerous as it encourages children to cross the road between parked cars.

Please can I remind you that we are a nut free school. Children should not be bringing nuts into school for lunch or snack.

At the end of the school day, please be very conscious that the gate is open; we would not want any child to find himself or herself on the road without an adult.
