The meeting will take place in Mr Runcorn's classroom; children and parents are welcome. If you are unable to attend we will be able to email you a copy of the presentation.

Family Homework

We have been invited to take part in the Banbury Easter Rabbit Trail. A very large model rabbit has been delivered to the school, and we would like to invite children to create a design for us to recreate. This model will then be hidden in Banbury for everybody to find. The theme is either **Spring or your favourite book**. Please could you hand your designs to Mrs Cockle by the 11th of March. On the right are some examples from previous years... Happy creating.

Peach tree and Orchard Parents survey - We are very lucky at our school to have staff that extend and develop their own learning and training. Jolene Stuchfield is coming to the end of her degree in BA (Hons) in Early Childhood; she is carrying out research into parent partnerships in EYFS. As part of this study, she would like to carry out a survey. Please see the separate email for the link and a letter explaining the project. Jolene would like both parents to complete the survey if at all possible. I would like to thank you in advance for supporting Jolene Stuchfield and the school in evaluating and promoting relationships in the Early Years Classroom.

We would like to run a **cooking class for the children in Oak Class**. We have provisionally allocated Thursday afternoon to this activity. The children will make healthy treats to give out in their 'Healthy Tuck shop' at break time on Friday. If you would be able to help with this activity, please let me know.

Please can I remind you that we are a nut free school. Children should not be bringing nuts into school for lunch or snack.

At the end of the school day, please be very conscious that the gate is open; we would not want any child to find himself or herself on the road without an adult.
