Year 6

We would like to congratulate all of our Year 6 pupils on all their hard work during this week's assessments. We are really proud in the manner with which they have approached the tests. Thank you to all the staff who have provided such positive support to the children for the SATs tests. I am sure that you will appreciate how hard everyone has worked, not only to prepare children for the tests but also to ensure that a balance has been maintained with the other subjects in the curriculum.

Year 6, we are very proud of you! Well done! Your afternoon of Pizza in the park was thoroughly deserved!

Along with donations and adoption fees, we rely on fundraising and practical support to help care for our cats, kittens, rabbits, guinea pigs, gerbils, hamsters and mice who, through no fault of their own, find themselves in a hard spot and in desperate need of a second chance.

The children are really looking forward to sharing their crafts with you.

The sale will be hosted by the children in Year 5 and will take place during the book-look on :

Friday from 2.00 pm
Outside Willow Class

If you have any small Bric-a-Brac items that you think would sell, please bring them to school at the start of the week.

Thank you,

The Year 5 Charity team

Starting in June, we will implement a new payment method for Hang Out Club and extracurricular activities. Therefore, we kindly request that you refrain from making any payments beyond May. We would greatly appreciate it if you could take a moment to check your Parentpay account for any outstanding payments or additional funds.

The Year 5 and 6 Residential trip will need to be paid by the 31st of May (as per the payment plan).

Parking - As we all know, we have limited parking available in the immediate vicinity of the school. Even so, it is imperative that we continue to park with respect to the residents of Hornton and their right of way to their homes. There is ample parking availability at the Pavilion, from where it is a short and pleasant walk to the school. A few minutes extra walking time will make such a difference to the congestion around the school and the combined safety of children, parents and residents.

Please can I remind you that we are a nut and avocado free school. Children should not be bringing nuts into school for lunch or snack. At the end of the school day, please be very conscious that the gate is open; we would not want any child to find himself or herself on the road without an adult.
