#### EVERY DAY COUNTS

### Cricket News from Mr Runcorn

The children (and their parents) really enjoyed our family trip to Edgbaston on Thursday evening. A big thank you must go to Mr Runcorn for organising this event. The Bears won by 100 runs!

We were even caught on TV!

### Arts Day Friday the 21<sup>st</sup> of June

Thank you to Ceri Turner for running a clay workshop during our Arts day on Friday. Across the school the children thoroughly enjoyed creating pieces of work to share in our assembly. Below are pictures of the frogs the children made in Oak and Apple Class.

**Suncream** - Children are welcome to bring some to apply themselves. Please ensure this is clearly labelled. We have found the best way to protect your child from the sun is to apply at home before coming to school to ensure your child is properly 'suncreamed' up.

**Sun hats** – If you wish for your child to wear a sunhat at playtimes, please can you place a hat in their bag. Please remember to write their name inside it.

**Elsie Wall who would love you to join her in raising funds for Diabetes UK.** Please look at the attached form which provides more details. Willow class and Mrs Tyrrell are really looking forward to helping Elsie raise as much money as possible:

*I'm Elsie Wall and I am doing a sponsored walk for Diabetes UK. I will be walking 5 miles at North Oxfordshire Academy on Sunday 7th July. I would love lots of people to do it with me and help me to raise money for this GREAT charity.*

As you are aware we are moving our Management Information System/payments to Arbor. This is all set up and ready to go. We have attached a document which explains the steps you need to take to register for this App. There may be teething problems but we would like to use this App for booking Breakfast and Hangout Club this term. To ensure the lists are correct for the next two weeks, could you also please email the office to confirm your bookings **From September all clubs and trips will be booked via Arbor.**

## We're using Arbor's free Parent Portal and Parent App

### We've chosen Arbor to help us manage our school.

Arbor is a simple, smart and cloud-based MIS (Management Information System), which helps us work faster, smarter and more collaboratively as a school. The Parent App and Parent Portal mean we can keep you informed about your child's life at school in a much more accessible way. Log into Arbor to see and update your child's information, get live updates and make payments or bookings on the go!

The Parent Portal works on Google Chrome (computer or laptop) and you can download the Parent App from the App Store or Google Play Store on your phone (Android 5.0; iOS 10.0 and upwards).

### How to get started

1. Wait for your welcome email from us telling you Arbor is ready - you won't be able to log in before
2. Click the link in your welcome email to set up your password
3. Go to the App or Google Play Store on your phone and search 'Arbor'
4. Click 'Install' on Android or 'Get' on iPhone then open the App
5. Enter your email, select the school, then enter your password

## Need help using Arbor?

**Contact the school office if you have questions about Arbor, the App or Parent Portal.** Tell us the type and model of your phone, e.g. an iPhone SE, and include screenshots or screen recordings.

To safeguard student data in line with General Data Protection Regulations (GDPR), Arbor only works directly with school.

### Some tips to try:

1. Ensure your username is the email address you use for Arbor. Ask us to **check the email address** linked to your account.
2. **Reset your password** from the login page, or ask us to do this.
3. If the login email was sent to you more than 96 hours ago, the **password link will have expired**. Ask us to send it again.
4. Ask the school office to check that your email address has not been used twice - e.g. on another guardian or child's profile.
5. **Enter the birthday** of one of your children to log in.
6. Only relatives who are **Primary Guardians** of a child can access the Arbor App. Ask us to check you can access Arbor.
