SING MUSICALS

On Friday the 12th of July at 2.00 pm we would like to invite you to listen to Songs from the Musicals, performed by all the children from Peach Tree (Nursery) to Year 6, with special performances from the children who learn a musical instrument in school. Our Year 6 class will be organising our refreshments for the afternoon and will be serving cake and lemonade. Please bring a picnic chair or rug, as we will perform on the playground (Unless it is raining- we will then use the church). We will start singing at 2.00pm and we will be finished by approx 3.30pm.

The Year 6 children have been set a challenge to raise as much money as they can for Oak Class maths garden. Please bring change so you can taste their delicious creations on Friday.

As you are aware we are moving our Management Information System/payments to Arbor. This is all set up and ready to go. We have attached a document which explains the steps you need to take to register for this App. There may be teething problems but we would like to use this App for booking Breakfast and Hangout Club this term. To ensure the lists are correct for the next two weeks, could you also please email the office to confirm your bookings **From September all clubs and trips will be booked via Arbor.**

We're using Arbor's free Parent Portal and Parent App

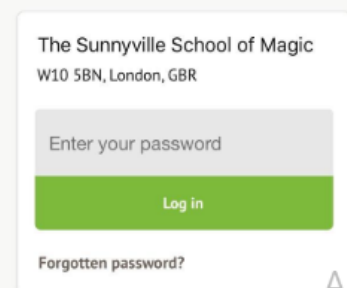

We've chosen Arbor to help us manage our school.

Arbor is a simple, smart and cloud-based MIS (Management Information System), which helps us work faster, smarter and more collaboratively as a school. The Parent App and Parent Portal mean we can keep you informed about your child's life at school in a much more accessible way. Log into Arbor to see and update your child's information, get live updates and make payments or bookings on the go!

The Parent Portal works on Google Chrome (computer or laptop) and you can download the Parent App from the App Store or Google Play Store on your phone (Android 5.0; iOS 10.0 and upwards).

How to get started

1. Wait for your welcome email from us telling you Arbor is ready - you won't be able to log in before
2. Click the link in your welcome email to set up your password
3. Go to the App or Google Play Store on your phone and search 'Arbor'
4. Click 'Install' on Android or 'Get' on iPhone then open the App
5. Enter your email, select the school, then enter your password
6. Accept the Terms & Conditions and enter your child's birthday

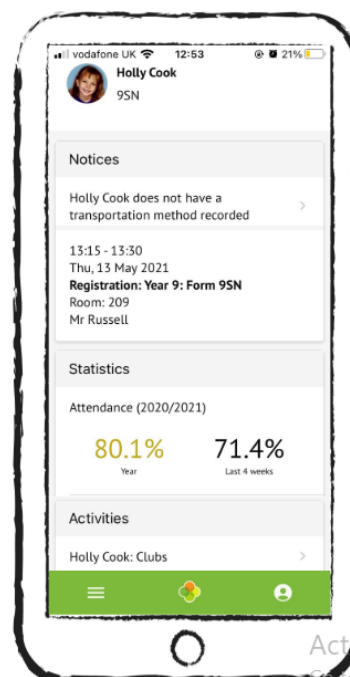

Need help using Arbor?

Contact the school office if you have questions about Arbor, the App or Parent Portal. Tell us the type and model of your phone, e.g. an iPhone SE, and include screenshots or screen recordings.

To safeguard student data in line with General Data Protection Regulations (GDPR), Arbor only works directly with schools.

Some tips to try:

1. Ensure your username is the email address you use for Arbor. Ask us to **check the email address** linked to your account.
2. **Reset your password** from the login page, or ask us to do this.
3. If the login email was sent to you more than 96 hours ago, the **password link will have expired**. Ask us to send it again.
4. Ask the school office to check that your email address has not been used twice - e.g. on another guardian or child's profile.
5. **Enter the birthday** of one of your children to log in.
6. Only relatives who are **Primary Guardians** of a child can access the Arbor App. Ask us to check you can access Arbor.
