**21<sup>st</sup> December**- Christmas Tree competition at the church. We have entered our 'Generations Together Tree' created by Willow Class and a very special creation from our youngest children in Peach and Apple.  
**Tuesday 7<sup>th</sup> January** – Term 3 start, children return to school.

Dear Parents and carers,

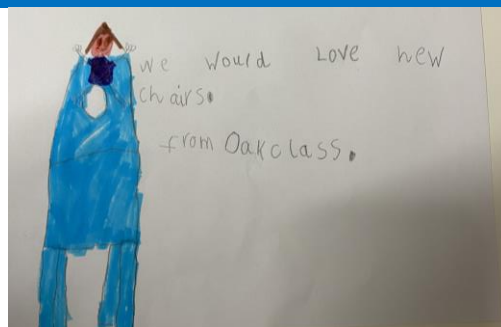

We are delighted that the whole school have been able to come together to celebrate Christmas. This week the children were super excited and full of Christmas cheer, which was so lovely to see. A big thank you must go to our PTA - for hosting our school disco complete with Santa's grotto and giving the children this wonderful experience.

Christmas Productions: Our nursery, reception, and Key Stage 1 children showcased their singing and dancing talents in two delightful productions: one traditional and one with a comical twist. Parents were entertained from start to finish as many of our youngest performers took to the stage for the first time. Meanwhile, Years 3 to 6 performed for parents at Hornton Church, delighting the school community with a variety of solo performances and both modern and traditional Christmas songs. A huge thank you to all the staff who dedicated their time and effort to make each performance especially memorable. On behalf of our staff team and governors, we would like to wish you all a wonderful Christmas and a happy and healthy 2025. I would like to personally thank you all for your support for Hornton – ensuring it is a thriving and happy place for growth, work and play.

Kind regards, Mrs Wendy Whitehouse

Thank you to everyone who contributed to our chair fund. We received over 35 donations, and Oak class looks fantastic with its brand-new furniture. We are truly overwhelmed by the generosity shown towards this project. Hornton School is fortunate to be part of such a wonderful community of parents, family, and villagers.

Thank You  
from Oak Class

This is just a fun thing to do and not any form of fundraiser.
