Dear Parents,

Thank you again for your patience while we repair the ceiling in the EYFS classroom. This week, we had a visit from the quantity surveyor, building surveyor, and the contractors who will be carrying out the project. We are fortunate to have the support of the Warriner Multi Academy Trust, who are coordinating this work. We aim to commence the work during half-term, but I will update you once I have confirmed the dates.

The staff and children have been remarkable and have settled into their new, temporary classroom. As you can see from the photos, the timetabled activities are similar to those they would enjoy in Peachtree. Next week, they will be cooking, so I will certainly be visiting them more in the hope of tasting their creations.

Once again, we will come together as a community to take care of our old but valued building.

Thank you for your continued support.

Can I remind people that it is very important to stick to the speed limit when driving through the village? There are parts of the village where we do not have pavements and we have had two occasions this week when parents have reported having to shield their children from passing cars.

A big thank you must go to Polly's mum, Charlotte, who is joining us once a week as our volunteer librarian. The children will visit the library with Charlotte every two weeks to change their books and discuss any new books they think we should buy.

This weekly club offers a chance to play different board games with your friends. Mrs Rooney (Poppy's mummy) has volunteered to run the club and would be love it if anyone would like to join her to help with the children.

This club is run by Mrs Pumford and Mrs Cockle. The children in keystage 2 will use different materials each week to create beautiful items, which they take home.
