At Hornton School we believe it is important that your child attends school every day and on time. Late arrival to school can be unsettling for children, and can disrupt the rest of the class. The school gates are open at 8:40 am and are closed at 8:50 am.

May Day arrangements- Please do come along and support the school and village at this special event. If you are joining us to dance around the Maypole, the children need to join us on the green (marked on the map red dot) at 1.30. We will then parade to the Maypole at 1.45pm and dance at 2.00pm. Please be aware that the grass could be wet- consider footwear.

We will be hosting three stalls at this year's Hornton Mayday event!

- **Tombola** – Try your luck to win a prize at our famous tombola stall!

We are asking for donations of bric-a-brac, unwanted gifts, alcohol, chocolates, toys, homewares etc for the stall. These can be brought in any day next week, please give them to either Mrs King or Mrs Scarsbrook.

- **Adopt a Friend** – Choose your friend, discover their unique talent, and complete an adoption certificate!
 - We would be very grateful for donations of any unwanted teddies or soft toys that are in great condition
- **Games Emporium** – Enter our games emporium and play our selection of child friendly games with your friends, while enjoying a homemade lemonade! The stall will be run by members of our Year 6 School Council.

Questions to Consider When Watching a Show

- What behaviors are glorified?
- What consequences do characters face for their actions?
- How often and in what context is bad language used?
- Is there anything to be learned from this program?
- Is the show's worldview something you want your child to be exposed to?
- Is there anything specific about the show that might be triggering or problematic for your child?

It can be hard to support children in the choices they make as to what they would like to watch on a screen.

Often children will bring scenarios to school if they watch a show on a screen which is too old for them.

We want to stop this, please support us in our promotion of 'creative and kind' play.

INFORMATION ON IMPORTANT STREET WORKS IN YOUR AREA

Dear Resident/Business owner,

We are due to undertake civil utility works in **Bell Street**, works are scheduled to take place from **Junction with West End to outside Manor farm** between **21/04/2025 to 02/05/2025**.

This work is being undertaken by Sf Stefan Civil Engineering Ltd on behalf of Gigaclear Ltd to build a full fibre broadband network in your community enabling access to ultrafast gigabit-capable broadband with speeds of up 900Mbps direct to the property. This will involve digging trenches in grass verges, pavements, and roads as we install the fibre ducting and external connection points at the boundary of each property.

We will maintain access to and from residential properties while the works take place but please be aware that at times access to these properties might be slightly delayed whilst the works are made safe for access and the site is opened for vehicles to pass through.

We understand that this will cause disruption and inconvenience to residents, and we apologise in advance, and we will endeavour to keep disruption to a minimum. We will work as quickly and quietly as possible while we are near your property.

In case of difficulty or emergency please contact the on-site staff or call our projects manager on the number below:

Ionel Blanaru on 07951 574371 or email ionel.blanaru@sf-stefan.co.uk

Gigaclear's Network Access Team can also be contacted on the details below:

Email: na-central@gigaclear.com
Phone: 01865 591199

We appreciate your understanding and cooperation whilst these works take place.

Please can I remind you that we are a nut free school. Children should not be bringing nuts into school for lunch or snack. This includes Nutella or any nut based spread.
