2026

This week at Hornton

Last week I emailed about our search for a new Parent Governor, please do consider this important role. Being a Parent Governor is a great way to support our small rural school and be involved in its future. Governors help support and guide the school, working with our team to make sure our children receive the best possible education. In a small school, governors really get to know the school and play an important part in supporting our close-knit community. No previous experience is needed – just an interest in the school, a willingness to learn, and time to attend meetings. Training and support are provided. If you would like to apply or find out more, please email our governance team. e.james@warriner.oxon.sch.uk

parkrun fun!

Thank you to every body who came to the 'Bring a Friend' park run on Saturday. We had a terrific time even though it was very cold!

Junior Citizen Visit

Rowan Class enjoyed a fantastic morning visiting Oxford, where they took part in a Junior Citizen visit all about what it means to be a good and responsible citizen. The children learned about staying safe, helping others, and making positive choices in their community through engaging and practical activities. They represented the school brilliantly and asked some thoughtful questions throughout the visit.

Nicole's Wild Quiz Night!

I'm excited to share that I've secured a place in the 2026 London Marathon and will be running in support of WWF, a cause close to my heart. With my children's love for animals, protecting the natural world for future generations means everything.

I'm fundraising through donations and a charity raffle on 31 January. You can donate via the QR code or by contributing a prize for the raffle.

Thank you so much for your support.
Nicole

Nicole's Wild Quiz Night - Donations please

Thank you so much for the amazing donations so far! If you have any bottles of wine, chocolates, or unwanted gifts that you'd be happy to donate for the raffle, we'd be incredibly grateful.

If you're able to bring them into school, I can collect them over the next couple of weeks.
Thanks again for all your support,
Nicole

TIME TO QUIZ!

Dogs on the Playground - We know that many of our families enjoy bringing their four-legged friends with them at drop-off and pick-up, and they are allowed on our playground. We do ask, however, that dogs are kept on a short lead at all times. Please also be mindful that some children may feel nervous around dogs, so a little extra care helps everyone feel safe and comfortable.

Hornton Primary School Admissions Policy Consultation - Our school has a new Admissions Policy, and the consultation is now open. The policy can be found on our school website in the News section. If you would like to comment or share your views, please send your feedback by email. We welcome and value your input.

Parking - As we all know, we have limited parking available in the immediate vicinity of the school. Even so, it is imperative that we continue to park with respect to the residents of Hornton and their right of way to their homes. There is ample parking available at the Pavilion, from where it is a short and pleasant walk to the school. A few minutes extra walking time will make such a difference to the congestion around the school and the combined safety of children, parents and residents.
