Reading Volunteers - 'A child at Hornton School will read to an adult every week'

Thank you, we are so lucky that so many people have volunteered to come into school to listen to children read. We held our final training evening last Wednesday. I have now allocated volunteers to class slots and will send out the timetable on Monday, if you would like to change the timing of your slot please let me know. We will be starting with our reading groups in the week beginning the 16th of May

We are having our outdoor **classroom/gazebo installed next week**. We are very grateful to Mrs Short for organising this installation. The children are looking forward to using it at playtimes, taking part in outdoor learning and it will also be a great space for listening to children read.

We are looking forward to welcoming **Oscar** back to school on Monday after his operation. Willow Class, and in fact, the whole school have really missed him.

Next week the children in **Year 6** will be completing their SATs Assessments in school. This group of children have worked very hard and I would like to thank Rowan Class, Mr Runcorn, Mrs Russell and Mrs Cairns for their tenacity and determination in the run up to this week.

We had a wonderful village celebration on Monday and were able to raise over £300 on the PTA tombola stall. On behalf of the school I would like to thank everyone who was involved in donating, preparing and running the Tombola stall.

I hope you will agree that the Maypole dancing was wonderful. The dancers performed with skill and we were very impressed with how they remembered the steps. Mr and Mrs Harris were very proud of you.

On Friday the 27th of May at 2.00pm we will would like to invite you to share tea and cake with us on the playground. Each class will sing a song from each of the decades of Queen Elizabeth's Reign.

We have been asked to join in with decorating the village. We will be holding a bunting design competition. The triangles will be given out next week.

Hornton Primary School

Jubilee Celebrations 2022

During the week beginning the 16th of May Ceri Turner, has kindly offered to lead pottery workshops in school. The children will design and create a crown to help them remember this special event. The crown will then be glazed, fired and taken home. The PTA have kindly offered to pay for the materials.

Parking - As we all know, we have limited parking available in the immediate vicinity of the school. Even so, it is imperative that we continue to park with respect to the residents of Hornton and their right of way to their homes. There is ample parking availability at the Pavilion, from where it is a short and pleasant walk to the school. A few minutes extra walking time will make such a difference to the congestion around the school and the combined safety of children, parents and residents.

I have noticed that some families are not using the one-way system. If we all follow the rules, it makes the start of the school day run so much more smoothly.

Please can I remind you that we are a nut free school. Children should not be bringing nuts into school for lunch or snack.

At the end of the school day, please be very conscious that the gate is open; we would not want any child to find himself or herself on the road without an adult.

Hornton Pavilion

Hornton Pavilion (Village Hall) is a warm welcoming venue ideal for Birthday Parties.

To view and discuss booking dates contact Isabelle Harris on 01295 670304.
