3rd May - Year 3, 4 and 5 Swimming 10.30-11.30am 17th May - Phonics evening for parents 7.00-8.00pm 18th May - Willow Class Trip to Woodstock museum Jubilee Singing Concert - Whole school during the afternoon of 27th May. More details to follow.			

Reading Volunteers - 'A child at Hornton School will read to an adult every week' Thank you, we are so lucky that so many people have volunteered to come into school to listen to children read. The sessions start next week and we are looking forward to welcoming you into our school.

Phonics Evening - Following our second day of Read, Write Inc training we would like to share some of the teaching techniques and give you an overview of this phonics scheme. This meeting will be useful for parents of children in Nursery, EYFS and Year 1. The meeting will be held in Oak class at 7.00pm and should last no longer than an hour.

Sun hats - Please could all children have a sun hat in school, I would also suggest that parents apply a long lasting sun protection cream at the beginning of the school day. If it looks like it is going to be a particularly sunny day, children are allowed to bring in a small tube of cream (named) to be applied by themselves at lunchtime.

On Friday the 27th of May at 2.00pm we would like to invite you to share tea and cake with us on the playground. Each class will sing a song from each of the decades of Queen Elizabeth's Reign.

We have been asked to join in with decorating the village. This week we are holding our bunting design competition. The triangles have been given to each child. Please return them by next Friday.

Hornton Primary School

Jubilee Celebrations 2022

During the week beginning the 16th of May Ceri Turner, has kindly offered to lead pottery workshops in school. The children will design and create a crown to help them remember this special event. The crown will then be glazed, fired and taken home. The PTA have kindly offered to pay for the materials.

Our new Outside Classroom. We are very grateful to Mrs Short for organising this installation. The children are looking forward to using it at playtimes, taking part in outdoor learning and it will also be a great space for listening to children read.

Parking - As we all know, we have limited parking available in the immediate vicinity of the school. Even so, it is imperative that we continue to park with respect to the residents of Hornton and their right of way to their homes. There is ample parking availability at the Pavilion, from where it is a short and pleasant walk to the school. A few minutes extra walking time will make such a difference to the congestion around the school and the combined safety of children, parents and residents.

I have noticed that some families are not using the one-way system. If we all follow the rules, it makes the start of the school day run so much more smoothly.

Please can I remind you that we are a nut free school. Children should not be bringing nuts into school for lunch or snack.

At the end of the school day, please be very conscious that the gate is open; we would not want any child to find himself or herself on the road without an adult.

Hornton Pavilion

Hornton Pavilion (Village Hall) is a warm welcoming venue ideal for Birthday Parties.
